

SEW N SAVE CLUB

Join our new reward program to make big savings! With our "Sew n Save" Club, you can enjoy fabulous rewards just for shopping with Sew Patch n Quilt!

How Does it Work?

When you sign up, you will be allocated a shopping card. There are 6 boxes on the card.

Each time you shop, collect your card from the Sew n Save card box. When you pay for your shopping, we will note the value of your purchase in one of the boxes on the card.

When you have filled all 6 boxes on the card, you will receive a gift voucher to the value of 10% of the total value of the purchases on the card. That's a **10% SAVING!!!**

The **MORE** you shop, the **FASTER** you will reach your reward, the **BIGGER** your reward will be!

Exclusive benefits for Club Members:

- Entry into the monthly gift voucher draw with every purchase.
- Birthdays gift.
- Special deals and promotions.
- Pre-notification of sales and events.

The Fine Print

- ◆ Only one sale can be added to the card per day.
- ◆ Only cash or card sales are eligible. Payments made by Gift Vouchers cannot be added to the card.
- ◆ If an item is returned, the value of that item will be deducted from the card if it was added to the card at the time of purchase.
- ◆ The Reward Gift Voucher cannot be redeemed until the following visit. Purchases made by redeeming the Reward Gift Voucher cannot be entered as a sale on the next card.
- ◆ For machine sales, the purchase may only be entered if the recommended price is paid for the machine. Any machine that is discounted below current price or is price matched cannot be included as a club purchase.
- ◆ Items already discounted or on sales promotions are not eligible for the reward program.
- ◆ Services, such as machine servicing and repairs, alterations, machine quilting, and class tuition are excluded from the reward program.
- ◆ Every purchase made in the month is eligible for entry into the draw for a \$10 gift voucher.
- ◆ Only one loyalty program reward can be claimed for each purchase. If you choose to allocate your purchase to the Sew n Save shopping card, you cannot claim Cashback Rewards for that same purchase.
- ◆ Sew Patch n Quilt reserves the right to alter the program as deemed necessary without prior notice. In this event, rewards already earned will be honoured.
